The first nine months of 2012 include a gain of \$1.5 million associated with the sale of a 16-acre tract of land at Lantana and income of \$1.8 million related to an insurance settlement. Results for the third quarter and first nine months of 2012 include a gain of \$4.3 million associated with the sale of eight undeveloped tracts at Lantana and the first nine months of 2012 also include a gain of \$4.3 million related to the sale of the two office buildings at 7500 Rialto Boulevard.

William H. Armstrong III, Chairman of the Board, Chief Executive Officer and President of Stratus, stated, "The Austin real estate market is very strong, and our assets are performing well. Single family lots at Barton Creek are selling rapidly and we have begun development of a new phase of Amarra III to replenish our inventory of high-end residential home sites. We have completed permitting and are developing regional infrastructure in Section N at Barton Creek, which will enable us to commence construction of an initial phase of approximately 750 multi-family units. We are also underway with design and engineering of a 296 unit multi-family project at Circle C, and expect to commence construction as early as mid-2014. The retail components of our business are also performing very well. We are working with HEB Grocery Company on a number of grocery-anchored retail and mixed-use projects. The W Austin Hotel & Residences project continues to exceed our expectations, with hotel operations reflecting increased occupancy and room rates. We recently closed a \$100 million re-finance of the W Austin Hotel & Residences project with Bank of America; the new loan, which resulted in an interest rate reduction and release of remaining residential condominiums from the loan collateral, enabled a significant return of capital to partners. In addition, we are also pursuing beneficial refinancing opportunities for our Circle C retail centers made possible by our business performance and the current interest rate environment."

<u>W Austin Hotel & Residences Project.</u> Stratus completed development of the W Austin Hotel & Residences project in downtown Austin, Texas, through a joint venture with Canyon-Johnson Urban Fund II, L.P., at a cost of approximately \$300 million. Delivery of condominium units commenced in January 2011. As of October 31, 2013, sales of 148 of the 159 condominium units had closed for \$170.2 million and one of the remaining 11 units was under contract.

Revenue per available room at the W Austin Hotel was \$226 during third-quarter 2013 and \$251 for the first nine months of 2013, compared with \$198 during third-quarter 2012 and \$220 for the first nine months of 2012. The 251-room hotel, which Stratus believes sets the standard for contemporary luxury in downtown Austin, is managed by Starwood Hotels & Resorts Worldwide, Inc.

The W Austin Hotel & Residences project also includes Austin City Limits Live at the Moody Theater (ACL Live), a live music and entertainment venue and production studio with a maximum capacity of approximately 3,000 people. In addition to hosting concerts and private events, the venue is the home of Austin City Limits, a television program showcasing popular music legends. ACL Live hosted 39 events during third-quarter 2013 and 135 events during the first nine months of 2013, compared with 40 events during third-quarter 2012 and 139 events during the first nine months of 2012. ACL Live currently has booked events through September 2014.

The project has 39,328 square feet of leasable office space, including 9,000 square feet for Stratus' corporate office. As of September 30, 2013, occupancy for the office space was 64 percent and a lease has been signed for an additional 20 percent of the office space with leasing activities for the remaining office space ongoing. The project also has 18,362 square feet of leasable retail space, all of which is leased. As of September 30, 2013, occupancy for the retail space was 86 percent (with the lessee of the remaining retail space expected to take occupancy in early 2014).

<u>Parkside Village Project.</u> In May 2011, Stratus, through its joint venture Tract 107, L.L.C., secured a \$13.7 million construction loan to finance the development of Parkside Village, an 89,641-square-foot retail project under development in the Circle C community in southwest Austin. The project consists of a 33,650-square-foot full-service movie theater and restaurant, a 13,890-square-foot medical clinic and five other retail buildings, including a 14,926-square-foot building, a 10,175-square-foot building, a 7,500-square-foot building, a 4,500-square-foot building and a stand-alone 5,000-square-foot building. Construction of the final two buildings is expected to be completed in May 2014 and as of September 30, 2013, occupancy of the completed 77,641 square feet was 95 percent. Of the remaining buildings under development, the 7,500-square-foot building is fully pre-leased, and leasing activities are ongoing for the 4,500-square-foot building. Effective October 30, 2013, the maturity of the construction loan with Comerica Bank has been extended to December 31, 2013 and Stratus is currently pursuing refinancing of this loan.

Lantana. Lantana is a partially developed, mixed-use real estate development project. In August 2012, Stratus completed the sale of eight of the remaining eleven undeveloped commercial tracts of land for \$15.8 million. These tracts, which totaled approximately 154 acres, have entitlements for approximately 1.1 million square feet of office space. During March 2013, Stratus sold a 16-acre tract for \$2.1 million, which had entitlements for approximately 70,000 square feet of office space. As of September 30, 2013, Stratus had entitlements for approximately 485,000 square feet of office and retail use on the remaining 43 acres. Regional utility and road infrastructure is in place with capacity to serve Lantana at full build-out permitted under Stratus' existing entitlements.

<u>Financial Results.</u> Stratus is continuing its high-priority development activities and is focused on maximizing long-term property values. Stratus' revenue from the Real Estate operations segment includes the following developed property sales (dollars in thousands):

The decrease in third-quarter 2013 developed units/lots sales revenues, compared with third-quarter 2012, primarily resulted from a decrease in the number of condominium units sold at the W Austin Hotel & Residences, partly offset by increased lot sales at Barton Creek. The increase in units/lots sales revenues for the first nine months of 2013, compared with the first nine months of 2012, primarily relates to higher average sales prices associated with larger units at the W Austin Hotel & Residences, as well as increased lot sales at Barton Creek. The inventory of condominium units has declined because of sales, leaving ten units available for sale at the W Austin Hotel & Residences project.

Revenue from the Hotel segment totaled \$8.4 million for third-quarter 2013 and \$28.4 million for the first nine months of 2013, compared with \$7.6 million for third-quarter 2012 and \$25.3 million for the first nine months of 2012. Hotel revenues reflect revenues for the W Austin Hotel and primarily include revenues from room reservations and food and beverage sales. The increase in hotel revenues in third-quarter 2013 primarily reflects higher average room rates and food and beverage sales.

Revenue from the Entertainment segment totaled \$3.3 million for third-quarter 2013 and \$10.0 million for the first nine months of 2013, compared with \$3.2 million for third-quarter 2012 and \$9.3 million for the first nine months of 2012. Entertainment revenues include revenues for ACL Live and primarily includes ticket sales; sponsorships, personal seat license sales and suite sales; and sales of concessions and merchandise. The Entertainment segment also includes revenues and costs associated with events hosted at other venues, and the results of the Stageside Productions joint venture formed in October 2012. Revenues from the Entertainment segment will vary from period to period as a result of factors such as the price of tickets and number of tickets sold, as well as the type of event.

Rental revenue from the Commercial Leasing segment totaled \$1.5 million for third-quarter 2013 and \$4.3 million for the first nine months of 2013, compared with \$1.3 million for third-quarter 2012 and \$3.6

million for the first nine months of 2012. The increase in rental revenue in the 2013 periods primarily reflects increased occupancy of the office and retail space at the W Austin Hotel & Residences project and the Parkside Village project.

Stratus is a diversified real estate company engaged in the acquisition, development, management, operation and/or sale of commercial, hotel, entertainment, multi- and single-family residential real estate properties, including the W Austin Hotel & Residences project, located primarily in the Austin, Texas, area.

BUSINESS SEGMENTS

Stratus currently has four operating segments: Real Estate Operations, Hotel, Entertainment and Commercial Leasing.

The Real Estate Operations segment is comprised of Stratus' real estate assets (developed, under development and available for development), which consist of its properties in the Barton Creek community, the Circle C community and Lantana, and the condominium units at the W Austin Hotel & Residences project.

The Hotel segment includes the W Austin Hotel located at the W Austin Hotel & Residences project.

The Entertainment segment includes ACL Live, a live music and entertainment venue and production studio at the W Austin Hotel & Residences project. In addition to hosting concerts and private events, this venue is the new home of Austin City Limits, a television program showcasing popular music legends. The Entertainment segment also includes revenues and costs associated with events hosted at other venues, and the results of the Stageside Productions joint venture formed in October 2012.

The Commercial Leasing segment includes the office and retail space at the W Austin Hotel & Residences project, a retail building and a bank building in Barton Creek Village, and 5700 Slaughter and the Parkside Village project in the Circle C community. In February 2012, Stratus sold the two office buildings at 7500 Rialto Boulevard (7500 Rialto). Accordingly, the operating results for 7500 Rialto are not included in the tables below (in thousands).
