AUSTIN, TX, August 14, 2013 - Stratus Properties Inc. (NASDAQ: STRS) reported net income attributable to common stock of \$0.6 million, \$0.08 per share, for second-quarter 2013, compared with a net loss attributable to common stock of \$3.6 million, \$0.44 per share, for second-quarter 2012. For the first six months of 2013, Stratus reported net income attributable to common stock of \$1.8 million, \$0.22 per share, compared with a net loss attributable to common stock of \$1.9 million, \$0.24 per share, for the first six months of 2012. Results for the first six months of 2013 included a gain of \$1.5 million associated with the sale of a 16-acre tract of land at Lantana and income of \$1.8 million related to an insurance settlement resulting from claims associated with damage caused by the June 2011 balcony glass breakage incidents at the W Austin Hotel & Residences project. The results for the first six months of 2012 included a gain of \$5.1 million associated with the sale of two office buildings at 7500 Rialto Boulevard (7500 Rialto) in February 2012.

William H. Armstrong III, Chairman of the Board, Chief Executive Officer and President of Stratus, stated, "The Austin real estate market is strong, and our assets are performing well. The W Austin Hotel & Residences project continues to exceed our expectations, with hotel operations reflecting increased occupancy and room rates. The W Residences are approximately 94 percent sold. Austin City Limits Live is building on its premier music industry reputation, and we are actively seeking to generate additional entertainment revenue through booking and sponsorship opportunities at ACL Live as well as through third-party booking and music promotion sponsorship sales. Our Parkside Village project is over 90 percent leased, and our development activities at Barton Creek, Meridian and Lakeway are progressing. We also are pursuing beneficial refinancing opportunities made possible by our business performance and the current interest rate environment."

<u>W Austin Hotel & Residences Project.</u> Stratus completed development of the W Austin Hotel & Residences project in downtown Austin, Texas through a joint venture with Canyon-Johnson Urban Fund II, L.P., at a cost of approximately \$300 million. Delivery of condominium units commenced in January 2011. As of July 31, 2013, sales of 147 of the 159 condominium units had closed for \$168.8 million and two of the remaining 12 units were under contract.

Revenue per available room at the W Austin Hotel was \$250 during second-quarter 2013 and \$264 for the first six months of 2013, compared with \$225 during second-quarter 2012 and \$232 for the first six months of 2012. The 251-room hotel, which Stratus believes sets the standard for contemporary luxury in downtown Austin, is managed by Starwood Hotels & Resorts Worldwide, Inc.

The W Austin Hotel & Residences project also includes Austin City Limits Live at the Moody Theater (ACL Live), a live music and entertainment venue and production studio with a maximum capacity of approximately 3,000 people. In addition to hosting concerts and private events, the venue is the home of Austin City Limits, a television program showcasing popular music legends. ACL Live hosted 49 events during second-quarter 2013 and 96 events during the first six months of 2013, compared to 50 events during second-quarter 2012 and 99 events during the first six months of 2012. ACL Live currently has booked events through February 2014.

The project has 39,328 square feet of leasable office space, including 9,000 square feet for Stratus' corporate office. The project also includes approximately 18,362 square feet of leasable retail space, all of which is leased. As of June 30, 2013, occupancy was 64 percent for the office space and 86 percent for the retail space. A lease has been signed for an additional 20 percent of the office space and leasing activities for the remaining office space are ongoing.

<u>Parkside Village Project.</u> In May 2011, Stratus, through its joint venture Tract 107, L.L.C., secured a \$13.7 million construction loan to finance the development of Parkside Village, an 89,641-square-foot retail project under development in the Circle C community in southwest Austin. The project consists of a 33,650-square-foot full-service movie theater and restaurant, a 13,890-square-foot medical clinic and five other retail buildings, including a 14,926-square-foot building, a 10,175-square-foot building, a 7,500-square-foot building, a 4,500-square-foot building and a stand-alone 5,000-square-foot building.

Construction of the final two buildings is expected to be completed in early 2014 and as of June 30, 2013, occupancy of the completed 77,641 square feet was 95 percent. Of the remaining buildings under development, the 7,500-square-foot building is fully pre-leased, and leasing activities are ongoing for the 4,500-square-foot building. In connection with an extension of the maturity of the construction loan from May 31, 2013 to August 31, 2013, the loan amount was reduced to \$11.0 million. Stratus is actively pursuing refinancing for this construction loan.

Lantana. Lantana is a partially developed, mixed-use real estate development project. In August 2012, Stratus completed the sale of eight of the remaining eleven undeveloped commercial tracts of land for \$15.8 million. These tracts, which totaled approximately 154 acres, have entitlements for approximately 1.1 million square feet of office space. During March 2013, Stratus sold a 16-acre tract for \$2.1 million, which had entitlements for approximately 70,000 square feet of office space. As of June 30, 2013, Stratus had entitlements for approximately 485,000 square feet of office and retail use on the remaining 29 acres. Regional utility and road infrastructure is in place with capacity to serve Lantana at full build-out permitted under Stratus' existing entitlements.

<u>Financial Results.</u> Stratus is continuing its high-priority development activities and is focused on maximizing long-term property values. Stratus' developed property sales included the following (dollars in thousands):

The increase in developed units/lots sales revenues in the 2013 periods primarily resulted from an increase in the number of condominium units sold and higher average sales prices associated with larger units, as well as increased lot sales at Barton Creek.

As discussed above, during March 2013, Stratus sold a 16 acre tract at Lantana for \$2.1 million, which had entitlements for approximately 70,000 square feet of office space.

Revenue from the Hotel segment totaled \$9.9 million for second-quarter 2013 and \$20.0 million for the first six months of 2013, compared with \$8.7 million for second-quarter 2012 and \$17.7 million for the first six months of 2012. Hotel revenues reflect revenues for the W Austin Hotel and primarily include revenues from room reservations and food and beverage sales. The increase in hotel revenues in second-quarter 2013 primarily reflects higher average room rates and food and beverage sales.

Revenue from the Entertainment segment totaled \$3.4 million for second-quarter 2013 and \$6.7 million for the first six months of 2013, compared with \$2.9 million for second-quarter 2012 and \$6.1 million for the first six months of 2012. Entertainment revenues include revenues for ACL Live and primarily includes ticket sales; sponsorships, personal seat license sales and suite sales; and sales of concessions and merchandise. The Entertainment segment also includes revenues and costs associated with events hosted at other venues, and the results of the Stageside Productions joint venture formed in October 2012.

Rental revenue from the Commercial Leasing segment totaled \$1.4 million for second-quarter 2013 and \$2.8 million for the first six months of 2013, compared with \$1.2 million for second-quarter 2012 and \$2.3 million for the first six months of 2012. The increase in rental revenue in the 2013 periods primarily reflects increased occupancy of the office and retail space at the W Austin Hotel & Residences project and the Parkside Village project.

Stratus is a diversified real estate company engaged in the acquisition, development, management, operation and/or sale of commercial, hotel, entertainment, multi- and single-family residential real estate properties, including the W Austin Hotel & Residences project, located primarily in the Austin, Texas area.
